

VERA Z. DWYER COLLEGE OF HEALTH SCIENCES

INDIANA UNIVERSITY SOUTH BEND

Clinical Track Repeat Policy-Undergraduate Policy 7.22

About This Policy:

Effective Date: 02-24-2017

Approval Dates: Previously recorded as Policy C-8

Scope

This policy applies to all members of the university community on each campus of Indiana University.

Policy Statement

The purpose of this policy is to outline the course repeat process for students in the clinical programs of the IUSB Vera Z. Dwyer College of Health Sciences (IUSB-CHS).

Procedure

The IUSB-CHS policy requires students to achieve a grade of C (2.0) in each required course. Students who earn a grade of less than C in a required course must earn a grade of C by the second completed attempt. Students who earn a grade of less than C in a required course are strongly urged to successfully complete the course in the next semester of enrollment, provided the course is offered.

Both pre-IUSB-CHS and current IUSB-CHS students who do not successfully complete all required general-education courses with a minimum grade of C by the second completed attempt are ineligible for admission to the IUSB-CHS program of interest or are dismissed from the IUSB-CHS program of study.

Students may repeat only three courses, or a maximum of 11 credit hours, of the required general-education courses in an effort to achieve a C or higher in each course (two science or three general-education electives). The IUSB-CHS follows the IU South Bend grade replacement policy.
