INDIANA UNIVERSITY SOUTH BEND

RADIOGRAPHY PROGRAM MISSION STATEMENT

The Radiography Program at Indiana University South Bend is committed to serving north-central Indiana and south-west Michigan through the operation of excellence in teaching and learning. The mission of the Radiography Program is to create professional and knowledgeable technologists through a comprehensive education in Radiography. The goals of the Radiography Program are to promote the effectiveness of radiographic skills needed for employment, sound patient care, effective communication, and strong ethical judgement. Through continuous improvement, we will serve our community by educating students with a strong work ethic and values.

VERA Z. DWYER COLLEGE OF HEALTH SCIENCES MISSION STATEMENT

The Vera Z. Dwyer College of Health Sciences will be recognized as a leader in the provision of health care services, health education and health promotion. The College is dedicated to teaching excellence, transformational educational experiences, human dignity and excellence in community service, health care, health education and health promotion.

The mission of the Vera Z. Dwyer College of Health Sciences is to provide a transformational education that prepares professionals who demonstrate excellence in the provision of care and respect for human dignity.

1. Transformational learning is a revolutionary process that occurs through small, every day encounters and unique perspective-altering experiences.
2. Excellence in healthcare is exemplified by a commitment to innovation, evidenced-based practice, integrity and a commitment to integrative care.
3. Human dignity is inherent respect for all persons that encompasses good will, compassion and understanding.
