Dr. White,

The Indiana State Board of Nursing (ISBN) would like to commend Indiana University South Bend (IUSB) BSN program on achieving the 100 % pass rate for the National Council Licensure Exam (NCLEX) RN for 2020.

At present, there are 67 nursing programs in the state. IUSB is one of only 10 programs with 100% pass rates for 2020. Congratulations on this commendable achievement.

As always, please do not hesitate to contact the Board if you identify concerns and to request clarification or assistance with any matter. The Board may be reached by contacting the Education Compliance Officer through the information listed below.
