APPLICATION REVIEW:

- All applicants will be ranked based on:
 - Application GPA (the weighted GPA of all program prerequisite courses): 45%
 - Essay (the average of reviewers' scores): 15%
 - Radiography module assessment: 10%
- The top ranked applicants (max. of 35) will be selected for an individual interview. The individual interviews will score applicants on:
 - Knowledge of the Profession
 - Communication
 - Responsibility/Decision-making
 - Motivation
- After the individual interviews, applicants will be reevaluated for admission using a combination of scores from their pre-interview score (70% weight) and their interview rank (30% weight).

APPLICATION MODULE:

- All information regarding the application is in a single course. This includes the essay prompt. There is no separate on-line application.
- The application module is located here: <https://expand.iu.edu/browse/healthsciences/courses/radiography-application-module>
