SCHOOL OF HEALTH SCIENCES

Radiography and Medical Imaging Technology

RADIOGRAPHY PROGRAM MISSION STATEMENT

The Radiography Program at Indiana University South Bend is committed to serving north-central Indiana and southwest Michigan through the operation of excellence in teaching and learning. The mission of the Radiography Program is to create professional and knowledgeable technologists through a comprehensive education in Radiography. The goals of the Radiography Program are to promote the effectiveness of radiographic skills needed for employment, sound patient care, effective communication, strong ethical judgment, and lifelong learning. Through continuous improvement, we will serve our community by educating students with a strong work ethic and values.

VERA Z. DWYER SCHOOL OF HEALTH SCIENCES MISSION STATEMENT

The Dwyer School of Health Sciences (DSHS), in collaboration with community partners, fosters the education & development of health care professionals to become leaders who address the current and evolving needs of population health and wellness in our region, Indiana, and beyond.

INDIANA UNIVERSITY SOUTH BEND MISSION STATEMENT

Indiana University South Bend is the premier comprehensive public university dedicated to serving the needs of North Central Indiana and beyond. As a regional campus of Indiana University, IU South Bend provides a diverse population the opportunity to affordably earn a prestigious IU degree, through its quality undergraduate and graduate programs. With its caring faculty and staff, IU South Bend is committed to an inclusive, student-centered approach that focuses on preparing its students for both the workforce and postgraduate education through rigorous coursework, faculty and student research, and creative activity. We are a catalyst for social mobility that contributes to the vitality of our region by educating informed individuals, thoughtful stewards, innovative professionals, and responsible leaders.
